

Trek Part

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than sixty years of experience successfully designing, developing, marketing, manufacturing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to providing new design concepts and top quality to be able to meet the diverse needs of their customers.

TREK Cleaning Machines always offers fresh design concepts as proven in their product development. They enjoy providing items that energize both their dealers and their partners and provide production gains to their clients.

The TREK team of workers likes new tasks and new challenges. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements combined with their knowledge of cleaning applications, along with owners' strong desire to dramatically lower cost through productivity gains.

When needed, the workers within TREK and its several dealer members in both parts and in technical support will be available. One of their core values is their high service commitment in their customer service. Keeping their customers' cleaning machinery running and ready daily is top priority. The company's top of the line technology delivers reliable machine which ultimately lessens your cost of cleaning. The service, the product and the price all work together to make them an industry leader.
